* It is suggested that you take all the tests at home during the JEE timings, thereby making sure your biological clocks are tuned for peak performance on the JEE day. If you get habituated to taking the test at night, your body and mind get tuned for the best performance at night but that may not be of much avail on the JEE day.

Test Schedule (in Class XII) will be made available in August 2021.

Note 1: Link for Live Online Concept Strengthening Classroom Program (CSCP) will be sent 1/2 days before the session.
