Advanced (Paper 1 and Paper 2) will each have three separate sections on Physics, Chemistry & Mathematics. Both papers will be objective type.			

Concept Recapitulation Test Papers are Practice Test Papers through which certain concepts are to be revised. These papers are very helpful to revise the topics of Physics, Chemistry & Mathematics without revising the entire theory. In these papers, representative problems are there from various concepts of JEE syllabus, through which students can recapitulate entire topics before JEE within short span of time.

* It is suggested that you take all the tests at home during the actual JEE Advanced timings, thereby making sure your biological clocks are tuned for peak performance on the JEE day. If you get habituated to taking the test at night, your body and mind get tuned for the best performance at night but that may not be of much avail on the JEE day.

NOTE: Due to COVID-19 pandemic, all Tests are to be taken at home in personal laptop/ desktop computer system. It will be Internet based Test conducted in real time. Test Paper will be available for download after the exam gets over. For updates, visit <https://reg.fiiitjee.com>
